

## ABOUT US

---

We are immensely pleased to introduce ourselves as one of the leading manufacturer of precision turned components and special fasteners. We are having well equipped in house facilities for precision machining, grinding, thread rolling, and all sorts of secondary operations.

We established separate quality control department along with standard room and testing facilities are well equipped. The instrumentation is most modern and up to date.

We believe in customer satisfaction with quality products.

### **Nature of Business**

Manufacturing Precision Turned Components From Dia 2mm to 120mm & Length Up to 600mm As per customer's Drawing. Heat Treatment Parameters & Plating Properties As Per Customer, Requirements.

**SPECIALTY**

---

Highly Precision Components as we are manufacturing Control shafts ( Engine Components) for M/S Pricol Ltd" components of Oil pump Body both for Hero Motocorp Ltd. & Bajaj Motors Ltd: PRV Assy Components for M/S Liftwell Equipments " Product of Hydraulic Lift for M/S Eicher Tractors Ltd.

"Hydraulic Machinery Components Adopter's, Valve Hinge Pin etc for M/S International Tractors Ltd.

Our principle to offer the best possible service to achieve our customer's complete satisfaction. Our product stands out for performance, quality and cost effectiveness.

## Major Products

---

### ➤ **Gear Shifter Rods (Transmission Components)**

- Control Shaft's, Spindle, Shafts
- Pivot Pin
- Studs,
- Piston's Spacer,
- Bolt,
- Pin,
- Forks,
- Adjusters,
- Plugs,

- Flange bolt,
- Inserts,
- Bushes,
- Check nuts.
- Connectors,
- valves,
- Forks Retainer,
- Adopter,
- Collars,
- Steering Nuts,
- Bush Driven face.

All types of precision turned components as per requirement of customers in Stainless Steel, Alloy and Non-Alloy Steel, Brass, Aluminum.

## QUALITY ASSURANCE

---

We are an ISO 9001-2015 Certified Company. Further we are committed to International Quality Standards.
